@KadisArt

Work Experience:

Video Journalist
@MBC, Al Arabiya News Channel

2018 – Present

Dubai - UAE

I'm responsible for Al Arabiya Media videos on AlArabiya.net, I created all the videos in this page, and made a TV version of many reports for programs like Tafa3olcom, Sabah AlArabiya, Maraya.. On AlArabiya news channel.

Page link:

www.alarabiya.net/alarabiya-media

I do editorial portrait painting, infographics and Arabic calligraphy on:
www.ahmadkadi.com

-I Cover breaking, general, sports, features, and political news stories.

-I write the video script to be short, catchy, and full of info, and I consider the SEO rules when I write the description.

-I manage the post timing and the content topics depending on Google analytics and page views to engage with the correct audience and get more share and views on Facebook, Twitter and Instagram

-Create special version of the reports for the AlArabiya Farsi and English pages.

-Check the news agencies: Reuters, AFP, AP.. etc and produce original content on AlArabiya.net and on all digital platforms.

-Collaborate with reporters, producers, and editors from the newsroom to execute creative concept for story.

-Edit photos and illustrations on Adobe Photoshop and Adobe illustrator and upload all graphic materials on CMS.

-Post video, pictures and stories on website, Facebook, Twitter and other social media outlets.

-Maintain strong familiarity with local, national news and events across our coverage area.
